CIRCULAR

Sub: Use of University Official Email ID (@manuu.edu.in) for All Official Communications and Discontinuation of NIC Mail Service -Reg

This is to inform all University stakeholders that the email services provided by the National Informatics Centre (NIC) through (<https://email.gov.in>) will be discontinued with effect from 15th October 2025 as the new NIC email services will be hosted on the Zoho Mail Platform (<https://mail.gov.in>) and will be available on payment basis, as per the communication issued by NIC.

Henceforth, all official communications within and outside the University shall be made strictly using the University's official email IDs ending with "@manuu.edu.in".

Existing NIC email IDs (user@nic.in / user@manuu.ac.in) will continue to function only for login and authentication purposes (e.g., access to Government portals such as GeM, CPPP, PFMS, etc.) but the associated mailbox (for sending or receiving emails) will no longer be accessible after the discontinuation date.

The NIC email services under the new Zoho platform will be made available only to important official functionaries, after obtaining approval from the competent authority.
