AZAD IT EXPO-2025

By MANUU in Collaboration with Kibotech Software Pvt Ltd

About the Azad IT Expo

The Azad IT Expo 2025 is a national platform aimed at bringing together students, researchers, faculty members, industry professionals, and innovators to explore emerging technologies, innovation, research opportunities, and future skills.

This IT Expo focuses on future-centric domains such as:

- Artificial Intelligence & Machine Learning
- Cyber Security
- Data Science & Big Data
- Internet of Things (IoT) & Automation
- Sustainable & Responsible Technology Innovation

Benefits to MANUU Students

Participating in the Azad IT Expo offers students a unique opportunity to go beyond classroom learning and engage with real-world technology.

1. Hands-On Innovation Experience

Students can demonstrate their innovative ideas, prototypes, and projects in front of experts, industry professionals, and peers — gaining invaluable experience in turning theory into practical solutions.

2. Exposure to Emerging Technologies

By engaging with the Expo's focus areas, participants deepen their understanding of rapidly evolving fields such as AI, IoT, and Cybersecurity, preparing them for future-ready careers.

3. Networking and Mentorship

The event connects students with industry leaders, academic experts, and entrepreneurs, opening doors for mentorship, collaboration, and internship opportunities.

4. Recognition and Rewards

To encourage creativity and excellence, the Expo offers:

Attractive cash prizes for the best innovative demonstration.

Participation Certificates for all students, recognizing their effort and contribution.

Trophies and Merit Certificates for outstanding projects and ideas.

5. Platform for Responsible Innovation

Students are inspired to design solutions that promote sustainability, social impact, and ethical use of technology, aligning innovation with responsibility.

Venue: CPDUMT Auditorium

Date: 10th November 2025

Timings : 9:00 AM to 5:30 PM
