CORRIGENDUM

Kindly refer to MSU Elections Rules and Regulations uploaded along with the notification. As per clause 14 (ii), it is found as "Under graduate students between the ages of 17 and 22 years may contest elections. For Post Graduate students, the maximum age limit to legitimately contest an election is 25 years, for Research Students the maximum age limit to legitimately contest an election is 28 years. It should be read as follows:

"Under graduate students between age of 17 and 23 years may contest elections. For Post Graduate Students the maximum age limit to legitimately contest an election is 25 years, and for Research Students the maximum age limit to legitimately contest an election is 28 years".

Clarifications:

1. In view of 04 years U.G Programme, age limit of U.G students is increased by one year i.e. upto 23 years and the 4 YUG Programmes includes ITEP also.
