About Training & Placement Cell (Polytechnic Cuttack Campus)

The Training & Placement Cell (Polytechnic Cuttack campus) facilitate contacts between companies and our students for better career development & opportunities. The career development process includes self-awareness, career exploration, internship, job placement & Alumni Interaction. The T&P Cell organizes campus interviews by inviting various companies for the placement of the students. The cell undertakes various activities of training and grooming of students in terms of conducting mock interviews, GD sessions, resume writing workshops, soft skill development, organization behaviour, HR meeting etc.

Objectives

- To Assist students develop/clarify their academic and career interests, and their short and long-term goals through individual counseling and group sessions
- To Assist students develop and implement successful job search strategies.
- To Work with faculty members, department Heads and administration to integrate career planning and academic curriculum as well as coordinate Project Work/ Summer Training/Internship programs.
- To Assist students for industrial training at the end of fourth and sixth semester.
- To Assist employers to achieve their hiring goals.
- To Serve the community by providing access to our campus wide activities & career resources.
- To Empower students with life-long career decision-making skills.
- To Provide resources and activities to facilitate the career planning process.
- To Act as a link between students, alumni and the employment community.
- Up gradation of the students communication skills and personality development by inviting experts from outside for seminars/classes.
- To Assist our students in obtaining final placement in reputed companies.
