Brief Report of Field Visits to RIE, Bhopal

A one day field visit-cum-faculty interaction programme was organized on 9th June 2022(Thursday) by the College of Teacher Education Bhopal for the Students of M.Ed Semester-II and IV semester in Regional Institute Education (RIE), Bhopal a constituent unit of NCERT, New Delhi. The objectives of the field visit were:

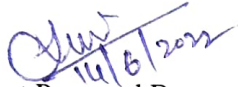

1. To have knowledge about the purpose of creating RIEs in different regions;
2. To acquire knowledge about role and functioning of RIEs in school and teacher education;
3. To abreast their knowledge about different good and innovative practices in school and teacher education;
4. To make aware about the various infrastructural facilities available in the institute and
5. To build the partnership between the two educational institutions.

The visit started on scheduled time wherein students of MANUUU CTE Bhopal assembled in the premise of RIE, Bhopal. The first place to visit was Science, Technology, Engineering, Arts and Mathematics (STEAM) park which has been developed by RIE off late and a centre of attraction in the city. The park has a total of 45 exhibits and five artifacts from different areas of science, mathematics, technology and arts. Most of the exhibits in the park are interactive in nature and students can explore science in an entertaining way. Each exhibit of the park was made out of waste material. Each of the exhibit was based on certain concept(s) wherein focused was on learning science through experience and activity. Several gadgets across fields like mechanics, sound and light, and artifacts that included animal structures like giraffe, duck, etc., were made. Mrs. Shivalik Sarkar, the in-charge of STEAM park along with faculty members Dr Saurabh Kumar and Praveen Kulshrestha of RIE Bhopal accompany the students and faculty members. Faculty members of RIE Bhopal, explained the concept(s) behind each exhibit and how it functions. It was the true demonstration of how learning would be fun and experiential. Students and faculty members enjoyed and learned a lot. Thereafter, faculty members and students of CTE Bhopal interacted with faculty members of RIE. Interaction began with RIE Bhopal Tarana and showcasing of small documentary film on **Tumba** made by RIE, Bhopal faculty members (recently awarded national prize). It was followed by inaugural address by Prof Jaydip Mondal, Principal RIE Bhopal wherein he welcomes the faculty members and students of MANUU CTE Bhopal. He reiterated that such interactions in near future would be planned so that both the institutions and their students can reap benefits out of it. Prof. Ratanmala Arya who is Head and Dean of Education Department initiated the discussion and highlighting that RIE Bhopal caters to the demands of students from Gujrat, Maharashtra, Goa, Chhattisgarh, MP, Dadra and Nagar Haveli and Daman and Diu to pursue teacher education programs. She highlighted that RIE is a melting pot of different culture. In fact, they are practicing multiculturalism in their institution. Thereafter, each of the Head of the Department/In-charges were invited to interact with students wherein they explained the role and functions of their department and the work they are doing. Prof. I B Chughtai stressed on inclusive education and how they are practising in their institution. Prof NC Ojha briefed about the ICT facilities institution had. Prof Pandagle on use of multimedia in education, Prof Ramesh Babu on importance of acquired identity rather than ascribed identity in context to teacher and society. The programme was anchored by Dr Saurabh from RIE, Bhopal. Question answer session took place at the end which was handled by Prof Ramesh Babu & Prof Pandagle. The vote of thanks on behalf of MANUU CTE Bhopal was given by Dr Khan Shahnaz Bano.

Post lunch session was on campus visit wherein students were taken to different labs like Psychology, Science, ICT, wherein they were acquainted with functioning and resources of the labs. Library, a heart of any educational institution was visited wherein different sections were created for the students. A special section was created for students called e-library wherein students were given access to all e-content including e-books, journals, thesis, etc to students to sit there and read and note.

Dr Jaki Mumtaj and Dr Indrajeet Dutta, discussed with assistant librarian about working of digital library system especially issue and returns of books to students. Thereafter, students were taken to studio wherein all e-contents were developed and made students aware how e-content is developed. Both Assistant Librarian and Studio Manager invited MANUU students for free access to library, studio etc for their academic work. At the end a group photograph was taken. The entire programme was coordinated by Prof. Ratanmala Arya from RIE, Bhopal side whereas from MANUU CTE Bhopal Dr Indrajeet Dutta was coordinating the programme. Dr Talmeez Fatma Naqvi, Dr Khan Shahnaz Bano, Dr Jaki Mumtaj, Dr Bhanu Pratap Pritam and Dr Tarannum Khan as members had facilitated in organizing the field visit in smooth manner. The key outcomes of this visit are:

1. Identification of common curricular and co-curricular areas for student's exchange/visits;
2. Invitation to students/faculty members to participate in various curricular and co-curricular activities;
3. Utilization of resources for benefit of students and faculty members;
4. Sharing of faculty expertise in curricular, research and other areas;
5. Organizing seminar/conferences/panel discussions/symposium etc in collaboration;
6. Sharing of best practices between the institutions;
