of
Science Centre Visit

A Report of Science Centre Visit

The College of Teacher Education, Bhopal organized a visit of Science centre Bhopal on 01/06/2022 for the fulfillment of Practicum of Pedagogy of Physical Science of B.Ed II Semester course. Students of B.Ed Science Section semester II were instructed to reach sharp 11:00 AM and followed the covid-19 guidelines.

This visit was organized under the supervision of following faculty members.

Dr. Shabana Ashraf, Assistant Professor,

Mr. Syed Kahful Wara, Assistant Professor,

And Mr. Ahmed Hussain, Assistant Professor.

After taking entry tickets of Main Entrance, Exhibition Gallery, 3D Movie Theatre and Taramandal, we all entered in Main Entrance of Science Centre.

Students of B.Ed were very curious and enthusiastic for observing the models and specimens which were kept in Exhibition Gallery. Full explanations of each model with their concept were given in both language (Hindi as well as in English), so

students were very comfortable in learning important concept of science. As we all know that Science is a way of looking reality! Science is a process of questioning!! Learning of Science becomes exciting when it involves the learner in close interaction with the exhibits that carry the desired message.

In Science Centre a unique facility is found, that physics humor and art are mixed up in the form of hands-on interactive exhibits which are challenging and instructive, accessible and inspiring. In this exhibition section of fun science, the curious mind will have enough to explore and gain
